Fundraising ~Program~

Team Up with Us and Make a Difference!

How it works:

We are always on the lookout for new locations to place our healthy vending machines. When a qualified lead comes our way from you and results in the contracted placement of a machine- you will earn money for your organization!

Healthy Box Vending will donate to your organization-

- **\$300** for a contracted vending machine placement at a location that does not require a commission and within 15 miles of Salem, UT
- **\$200** for a contracted vending machine placement at a location that does not require a commission, in Utah County but outside of 15 miles of Salem, UT
- **\$100** for a contracted vending machine placement at a location that does require a commission and is within 15 miles of Salem, UT
